Thank you for your interest in membership in the Mississippi Concrete Industries Association. I know that you will find membership in our association rewarding for yourself and your company.

By supporting Mississippi Concrete Industries Association (MCIA), you will not only receive the benefits listed below but you will be supporting promotion of concrete and concrete products. Consistent promotion helps to insure and grow the future market of our product.

Membership in MCIA offers a host of benefits that include:

- Training, certification programs, and technical seminars at a discounted member price.
- Representation in lobbying activities on important industry issues.
- Technical support on engineering questions and problem resolution.
- Access to our technical literature and video libraries.
- A listing in and copies of the membership directory.
- A monthly newsletter keeping you informed of industry activity and association programs.
- Annual conventions offering networking opportunities with customers, vendors, industry leaders and other members.
- A web site that offers valuable resources to you and referrals from our "Concrete Finder" feature.
- Access to MCIA's QC/QA forms.

To become a member, just complete the enclosed application. Your MCIA membership application will be subject to board approval.

If you have any questions or would like to set up an appointment for me to visit with you, please give me a call at 601-957-9827 or email me at hjames@mississippiconcrete.com. We hope that you will join us and support our industry efforts.

Sincerely,

A handwritten signature in cursive script that reads "Harry Lee James".
